

CAM FUN SOAR

www.CaldwellAeroModelers.com

Location: Caldwell Aero Modeler Field
Mt Herman Rd, Hudson, NC

Date: May 30, 2009

Time: 9:00AM - 3:00PM

Landing Fee: \$5 or equal donation of canned fruit or veggies for the Lenoir Soup Kitchen.

Info: The purpose of this flying event is to have a fun day of flying a variety of sailplane models ranging from hand launch to hotliners. It will also be an opportunity to meet with other sailplane flyers, chat about new designs, learn about thermal soaring, and possibly have a round or two of informal contest type flying. Electric powered sailplanes are also welcome to be flown. Wet power aircraft for piggy-back or aerotow launch permitted. An electric winch with retriever will be available for launching as well as a high start if you are uncomfortable with winch launching. Club piggy-back and aero-towaircraft will also be available. There will be expert help for those who are inexperienced with winch launching and/or to help with the launches. Newcomers are encouraged to join the festivities. All are welcome. Bring your own lunch. Fast food available nearby. AMA required for pilots.
