

# 4<sup>th</sup> Annual Fun Soar

[www.CaldwellAeroModelers.com](http://www.CaldwellAeroModelers.com)

**Location:** Caldwell Aero Modeler Field  
Mt Herman Rd, Hudson, NC

**Date:** May 26, 2012

**Time:** 9:00AM - 3:00PM

**Landing Fee:** \$5, proceeds benefit Lenoir Soup Kitchen

**Info:** This event features a fun day of flying a variety of sailplane models ranging from hand launch to hotliners. It is also an opportunity to meet with other sailplane flyers, chat about new designs, learn about thermal soaring, and possibly have a round or two of informal contest type flying. Electric powered sailplanes are welcome. Wet power aircraft for piggy-back or aero-tow launch permitted. An electric winch with retriever will be available for launch as well as a high start. Club piggy-back and aero-tow aircraft will also be available. There will be expert help for those who are inexperienced with winch launching and/or to help with the launches. Newcomers are encouraged to join the festivities. All are welcome. Bring your own lunch. Fast food available nearby. AMA required for pilots.
